Early to bed, early to rise
 Makes a man, healthy
 Wealthy and wise.

Early to bed, early to rise
 Makes a man, healthy
 Wealthy and wise.
This Is The Way We Brush

This is the way we brush our teeth,
Brush our teeth, brush our teeth. This is the way we brush our teeth,
We do it every morning.

Brushing up and brushing down,
Left and right and round and round.
Nice one smile will then be found,
And we brushed really well.
Lollipop

I took a hop, to the shop,
To buy my tasty lollipop;
   See the big stick
   And the red top.
I’ll soon put it in my mouth,
   And finish it plop! plop!
Let’s make some pizza,
Don’t be shy.
We’re making pizza,
Come and try!
Let’s make some pizza,
For me and you.
We’re making pizza,
And mom helps too!
Vegetables Are Good For Me

Carrots, peas, and broccoli,
Vegetables are good for me.
For my snack and in my lunch,
Veggie sticks are great to munch.
Carrots, peas, and broccoli,
Vegetables are good for me.
Mary Had A Little Lamb

Mary had a little lamb,
Little lamb, little lamb,
Mary had a little lamb,
Its fleece was white as snow.

And everywhere that Mary went,
Mary went, Mary went,
And everywhere that Mary went,
The lamb was sure to go.
Ding, Dong, Bell

Ding, dong, bell,
Pussy’s in the well;
Who put her in?
Little Tommy thin.
Who pulled her out?
Little Tommy stout.
What a naughty boy was that,
To drown poor pussy-cat!
To market, to market
to buy a fat pig;
Home again, home again.
jiggety-jig.
To market, to market,
to buy a fat hog;
Home again, home again,
jiggety-jog.
Here is the beehive,
But where are the bees?
Hiding inside,
Where no one can see.
Here they come, out of their hive...
1, 2, 3, 4, 5.
Engine Number Nine

Engine, engine number nine,
When it’s ready it will shine;
Engine, engine number nine,
Then we’ll ride on the Mumbai line.
Row, row, row your boat,
Gently down the stream.
Merrily, merrily, merrily, merrily,
Life is but a dream.
Row, row, row your boat,
Gently down the stream.
If you see a crocodile,
Don’t forget to scream.
Take A Bus

Take a bus or take a train,
Take a boat or take a plane,
Take a taxi, take a car,
Maybe near or maybe far,
Take a rocket to the moon,
But be sure to come back soon.
Two Little Clouds

Two little clouds,
One summer day went flying
Through the sky.
They went so fast
And bumped their heads.
Now both began to cry.
Pitter-patter, pitter-patter
Down came the rain.
Blow Wind, Blow

Blow wind, blow
And go, mill, go
That the miller may grind his corn;
That the baker may take it,
And into bread make it
And bring us a loaf in the morn.

Rain On The Green Grass

Rain on the green grass,
And rain on the trees,
Rain on the housetop,
But not on me.
I had a little nut tree,
Nothing it would bear,
But a silver nutmeg,
And a golden pear.
The King of Spain’s daughter,
Came to visit me,
And all for the sake,
Of my little nut tree.
Little Seed

One little seed
Was buried in the ground,
Down came the raindrops
Falling all around.
Out came the bright sun,
As bright as could be.
And that little seed grew
To be a big tree.

The Apple Tree

Way up high, in the apple tree,
Two red apples smiled at me.
So I shook that tree as hard as I could
Down came the apples,
Mmm, they were good!
Raise your hands above your head,
Clap them one, two, three,
Rest them now upon your hips,
Slowly bend your knees.
Up again and stand up tall,
Put your right foot out;
Shake your fingers, nod your head
And twist yourself about.
I Have Ten Tiny Fingers

I have ten tiny fingers,
Ten tiny toes,
Two eyes two ears,
And a little nose,
My hands are clean and ready
To clap from three to four;
My feet are waiting for a chance,
To walk upon the floor.
If you are happy and you know it, clap your hands. (Repeat twice)
If you are happy and you know it,
And you really want to show it,
If you are happy and you know it, clap your hands.

If you are happy and you know it, say hurray! (Repeat twice)
If you are happy and you know it,
And you really want to show it,
If you are happy and you know it, say hurray!
Finger Family

Daddy finger, daddy finger, where are you?
Here I am, here I am. How do you do?
Mommy finger, mommy finger, where are you?
Here I am, here I am. How do you do?
Brother finger, brother finger, where are you?
Here I am, here I am. How do you do?
Sister finger, sister finger, where are you?
Here I am, here I am. How do you do?
Baby finger, baby finger, where are you?
Here I am, here I am. How do you do?
Brother John

Are you sleeping? Are you sleeping?
Brother John, Brother John!
Morning bells are ringing!
Morning bells are ringing!
Ding, ding, dong.
Ding, ding, dong.
Mummy in the kitchen,
As busy as can be.
Cooking lots of good things,
For daddy and for me.
She lets me help with small jobs,
And we have lots of fun.
The time I like the best,
When her work is done.
Wash, wash, washity wash
I am washerman.
Snip, snip, snippity snip
I am a tailor
March, march, marchity march
I am a soldier.
Left-right, left-right
Off we go.
Pat-A-Cake

Pat-a-cake, pat-a-cake,  
Baker’s man,  
Bake me a cake  
As fast as you can;  
Pat it, and prick it  
And mark it with T,  
And put it in the oven  
For the teacher and me.
Five Little Soldiers

Five little soldiers,
Standing in a row,
Three stood straight,
And two stood so.
Along came the captain,
And what do you think?
They all stood straight,
As quick as a wink.
The Wise Goats

Two goats coming from opposite sides met on a narrow bridge over a stream. The bridge was so narrow that there was no way that both could cross at the same time. And, each wanted to cross first.

Finally, one of the goats said, “Why should we fight? If we do, both of us will fall into the water and lose our lives.” “I agree”, said the other. “I shall sit down and you can cross over my back first.” “Thank you,” said the first goat.

The second goat sat down and let the first goat cross over his back. Then he continued on his way down the bridge.

Moral: Quarrelling does not solve problems. Wisdom helps find the answer.
Two cats, Blackey and Whitey, were fighting over a piece of cake they had found. The cats divided the cake into two and each got one piece.

“Yours is a bigger piece”, complained Whitey. “No, yours is. You gave me the smaller one,” replied Blackey.

A monkey was passing by and stopped on hearing their quarrel. “What is the matter?” he asked. The cats asked the monkey to decide for them and share the pieces of cake equally between them. The monkey agreed to be the judge. He weighed both the pieces. “This one seems bigger”, said the monkey looking at the piece on the left. “Let me bite some of it and make it equal.” Now the piece in the right hand seemed bigger.

This continued till he finished eating the entire cake and nothing was left for the cats. Having his fill, the monkey jumped away happily as Whitey and Blackey looked on.

**Moral: When two people quarrel, a third person can take advantage.**
The Foolish Crow

Once, a crow found a piece of cheese lying on the ground. She picked it up in her beak and flew to a tree. A wily fox was passing by. He saw the crow with the cheese. His mouth watered. He walked up to the crow and said, “Hello, Miss Crow! I hear you have a sweet voice. Will you please sing for me?”

The crow was flattered by the fox’s praise. Foolishly, she opened her mouth and said, “Caw!” The cheese dropped from her beak. The hungry fox picked it up and walked away.

Moral: Beware of false flattery.
There lived a shepherd boy in a small village beside a forest. Everyday he would take his flock of sheep to graze. One day he shouted, “Help! Help! A wolf is here!” The villagers came running to help, but could not see any wolf. The boy began to laugh. The villagers were angry and warned him not to repeat this again.

A few days later, the boy again shouted, “Help! Help! A wolf is here!” The villagers rushed to help. The boy again laughed at the villagers who left angrily.

One day, a wolf really came and killed some sheep. The boy shouted for help, but no one came. The villagers thought that he was joking again. Thus, the boy’s habit of lying caused the death of several sheep.

Moral: Nobody believes a liar.
